1. Title

- 1.1 The Board will be known as the **East Riding Safeguarding Children Board** (referred to in this document as ERSCB or the Board)

Note: For the purposes of this document safeguarding is defined as:

- Protecting children from maltreatment;
- Preventing impairment of children's health or development; and
- Ensuring that children are growing up in circumstances consistent with the provision of safe and effective care¹.

2. Purpose and objectives

- 2.1 The statutory objectives and functions of ERSCB are outlined in legislation and statutory guidance as follows:

Section 14 of the Children Act 2004 sets out the objectives of LSCBs, which are:

(a) to coordinate what is done by each person or body represented on the Board for the purposes of safeguarding and promoting the welfare of children in the area; and

(b) to ensure the effectiveness of what is done by each such person or body for those purposes.

- 2.2 Regulation 5 of the Local Safeguarding Children Boards Regulations 2006 sets out that the functions of the LSCB, in relation to the above objectives under section 14 of the Children Act 2004, are as follows:

(1)(a) developing policies and procedures for safeguarding and promoting the welfare of children in the area of the authority, including policies and procedures in relation to:

- (i) The action to be taken where there are concerns about a child's safety or welfare, including thresholds for intervention;
- (ii) Training of persons who work with children or in services affecting the safety and welfare of children;
- (iii) Recruitment and supervision of persons who work with children;
- (iv) Investigation of allegations concerning persons who work with children;
- (v) Safety and welfare of children who are privately fostered;
- (vi) Cooperation with neighbouring children's services authorities and their Board partners;

(b) communicating to persons and bodies in the area of the authority the need to safeguard and promote the welfare of children, raising their awareness of how this can best be done and encouraging them to do so;

(c) Monitoring and evaluating the effectiveness of what is done by the authority and their Board partners, individually and collectively, to safeguard and promote the welfare of children and advising them on ways to improve;

(d) Participating in the planning of services for children in the area of the authority; and

(e) Undertaking reviews of serious cases and advising the authority and their Board partners on lessons to be learned.

Regulation 5 (2), which relates to the LSCB Serious Case Reviews function and

¹ DfE Working Together to Safeguard Children 2015

regulation 6 which relates to the LSCB Child Death functions, are covered in chapter 4 of this guidance.

Regulation 5 (3) provides that an LSCB may also engage in any other activity that facilitates, or is conducive to, the achievement of its objectives.

- 2.3 In order to fulfil its statutory function under regulation 5, the ERSCB should use data and, as a minimum, should:
- assess the effectiveness of the help being provided to children and families, including early help;
 - assess whether ERSCB partners are fulfilling their statutory obligations set out in chapter 2 of this guidance;
 - quality assure practice, including through joint audits of case files involving practitioners and identifying lessons to be learned; and
 - monitor and evaluate the effectiveness of training, including multi-agency training, to safeguard and promote the welfare of children.
- 2.4 ERSCB is not a front-line delivery organisation; rather its objectives are to co-ordinate and ensure the effectiveness of the work undertaken by member organisations, individually and together.

3. Statement of values

- 3.1 All children deserve to be safeguarded from all forms of avoidable harm and to have the opportunity to achieve their full potential. ERSCB supports the United Nations Convention on the Rights of the Child (1989), and seeks to ensure that all children within the East Riding are protected from all forms of physical or mental violence, injury or abuse, neglect or negligent treatment, maltreatment or exploitation, sexual abuse and harm caused by witnessing the ill treatment of another, and that their potential as human beings is maximised.
- 3.3 ERSCB believes that in order to achieve these aims, all agencies involved with children and their families must consider the welfare of children central to all their activities, and work closely with other agencies to safeguard and promote the welfare of all children.
- 3.4 ERSCB will promote public confidence in the child protection system by ensuring a proper balance is achieved between intrusion into family life and the necessary protection of children from harm.
- 3.5 ERSCB believes that the welfare and protection of children is the responsibility of all citizens and will promote the work of the Board to all those working with children and the public.
- 3.6 ERSCB believes in the need to increase understanding of the nature of child abuse, through the raising of professional and public awareness as a means to reducing its incidence and effect.
- 3.7 ERSCB will endeavour to develop and promote a learning culture, which seeks to identify areas of vulnerability, and learn lessons in order to pre-empt potential problems. When things do go wrong, attributing blame should be avoided; rather, emphasis should be placed on developing a safe environment to promote evidence-based learning.
- 3.8 ERSCB endorses East Riding Children and Young People's Plan and Health and Wellbeing Board Strategy.

4. Accountability

- 4.1 ERSCB is independent of any single agency and is not subordinate to nor subsumed within any local structures.
- 4.2 Whilst ERSCB Chair is accountable to the East Riding of Yorkshire Council's Chief Executive (further details outlined in Appendix 1), ERSCB will act as an independent voice in respect of monitoring the quality of child safeguarding arrangements within the East Riding.
- 4.3 It is within the remit of the ERSCB to monitor and scrutinise the safeguarding arrangements of all responsible organisations and bodies within the East Riding area.
- 4.4 ERSCB will have a clear, distinct and independent identity within the East Riding Children's Trust Board arrangements and Children, Families and Schools Directorate.
- 4.5 The ERSCB will provide an annual report to the Chief Executive and Leader of East Riding of Yorkshire Council, the Humberside Police and Crime Commissioner and the Chair of the Health and Wellbeing Board.
- 4.6 The Report will report on the effectiveness of the child safeguarding arrangements within East Riding. Specifically, the report will provide a rigorous and transparent assessment of the performance and effectiveness of local services. It will identify weakness, the causes of the weakness and the action taken to address them as well as other proposals for action. The report will also contain lessons from reviews undertaken within the reporting period.
- 4.7 The report should also list the contributions made to the LSCB by partner agencies and details of what the LSCB has spent, including on Child Death Reviews, Serious Case Reviews and other specific expenditure such as learning events or training.
- 4.8 ERSCB will seek a formal response to the challenges set to the Children's Trust and Health and Wellbeing Board to ensure it is an influential participant in informing and planning services for children and young people and families in the area.
- 4.9 Whilst the ERSCB has a role in co-ordinating and ensuring the effectiveness of local individuals' and organisations' work to safeguard and promote the welfare of children, it is not accountable for their operational work. The ERSCB does not have a power to direct other organisations and each Board partner retains their own existing lines of accountability for safeguarding and promoting the welfare of children by their services.

5. Role of East Riding of Yorkshire Council's Chief Executive

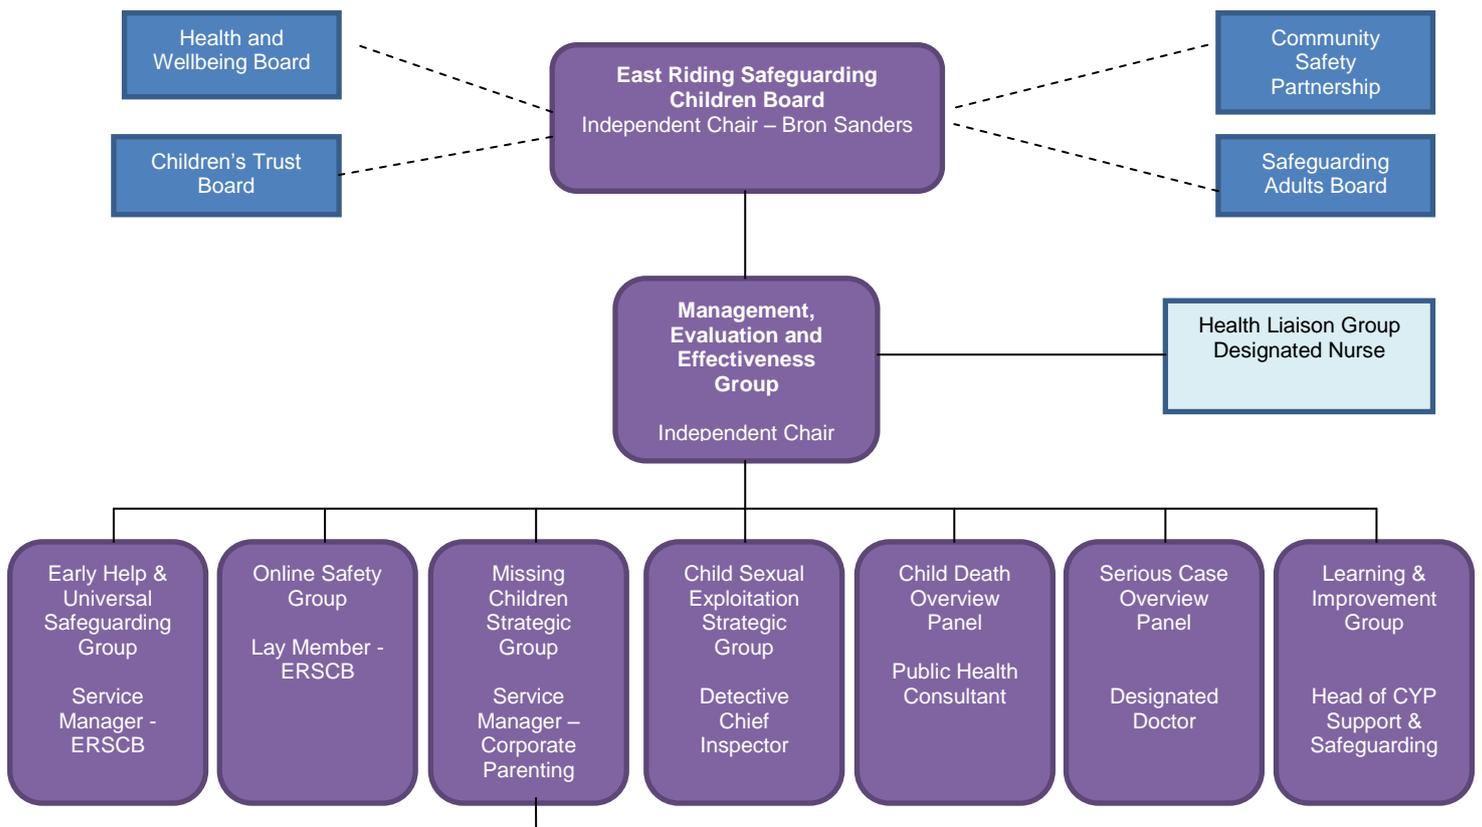

- 1.1 Establishing a Local Safeguarding Children Board is the responsibility of East Riding of Yorkshire Council's Chief Executive. It is also the responsibility of the Chief Executive, after consultation with the Board partners and non-executive members, to appoint or remove the ERSCB Chair.
- 1.2 The ultimate responsibility for the effectiveness of the ERSCB rests with the Chief Executive who will hold the ERSCB to account. This responsibility will be exercised through establishing clear lines of reporting and accountability between the Chief Executive and the ERSCB Chair as outlined in Appendix 1.
- 1.3 The ERSCB Chair and Director of Children, Families and Schools will meet as a minimum bi-annually with the Chief Executive. The ERSCB Chair will meet with the Leader bi-annually. The ERSCB Chair will also attend the Council's Scrutiny Committee as required.

6. Chairing

- 6.1 The ERSCB Chair has a crucial role in ensuring that the Board operates effectively and secures an independent voice for the Board.
- 6.2 The Chair will be independent of the Local Authority and any of the member agencies. However, the ERSCB Chair will be accountable to the East Riding of Council's Chief Executive for the effectiveness of the ERSCB. The Chair will also be accountable to the ERSCB membership.
- 6.3 The ERSCB Chair will have sufficient standing and expertise in the area of child safeguarding to command the respect and support of all partners. The Chair should act objectively and distinguish their role as ERSCB Chair from any other employment or interests.
- 6.4 The ERSCB Chair will ensure that the work of Board fits within the East Riding Children and Young People's Plan, and the Health and Wellbeing Strategy, and should have a clear work programme, which includes measurable objectives.
- 6.5 The ERSCB Chair will also ensure the ERSCB provides an annual report, to the Chief Executive and Leader of the East Riding of Yorkshire Council, the Humberside Police and Crime Commissioner and the Chair of the Health and Wellbeing Board. The Report will report on the effectiveness of the child safeguarding arrangements within East Riding of Yorkshire.
- 6.6 ERSCB Chair should appoint a Vice Chair who can act on behalf of the Chair in chairing the Board meeting and making key decisions. However, decisions should only be made by the Vice Chair where the Chair has notified the ERSCB Service Manager of their absence, or where all reasonable attempts have been made to contact the Chair and not making a decision would have a detrimental impact on the function of the Board or the welfare of a child. Any such decisions should be notified to, and endorsed by, the ERSCB Chair at the earliest opportunity. The Vice Chair must be a full member of the ERSCB.
- 6.7 The ERSCB Chair should be subject to an annual appraisal by Board members. Where concerns relating to the Chair's effectiveness or competence arise in the appraisal process, the Chief Executive should consider seeking a vote of confidence from the Board (see below).
- 6.8 Whilst the removal of the ERSCB Chair is the responsibility of East Riding of Yorkshire Council's Chief Executive, the decision should only be taken with the approval of the Board.
- 6.9 On receipt, from a Board member, of an expression of no confidence in the ERSCB Chair, the Chief Executive should instruct a full meeting of the Board, chaired by the ERSCB Vice Chair. At the meeting, the case against the ERSCB Chair should be presented by a representative of the Chief Executive along with a statement provided by the ERSCB Chair (either in writing or in person). A vote of no confidence will be carried where there is a simple majority of the agencies².
- 6.10 The Chief Executive may suspend the ERSCB Chair, pending further enquiries and a meeting of the Board, when it is alleged that the Chair has acted in a way which constitutes gross misconduct (e.g. has acted in a way which, to a reasonable person, risks bringing the ERSCB into disrepute) or where the ERSCB's performance has been identified as inadequate by Ofsted.
- 6.11 For further information regarding the profile and role of the ERSCB Chair please see Appendix 1 '*Role specification for ERSCB Chair*'.

² The vote should only include a single representative of each agency.

7. Structure

- 7.1 The core responsibilities of each subgroup are outlined in Appendix 4.
- 7.2 Each subgroup will be a member of the Management, Evaluation and Effectiveness Group, where performance of the group, including partner attendance, will be reviewed.
- 7.3 The terms of reference for each sub group will be agreed by the ERSCB and reviewed annually. Minutes of meetings, work plans and exceptional reporting is open for scrutiny by ERSCB, in consultation with group members.

Where the complaint directly involves the

Chair, or where the Chair is unable to resolve the complaint, the ERSCB will engage an Independent Person of sufficient experience to review the complaint, or the outcome concluded by the independent chair. The process will be undertaken within a reasonable timescale, agreed with the complainant, depending upon the nature of the complaints. The findings of the Independent Person will be final. Complaints about all other aspects of the Safeguarding Unit's responsibilities will be referred to the Local Authority's Children's Services complaints service.

12.2 The ERSCB escalation protocol and process can be found at www.erscb.org.uk

13. Resolution of professional disagreement

13.1 It is acknowledged that on occasions issues may arise between constituent partners, or concerns about the effectiveness of a partner agency, which if unresolved may act to impede the effectiveness of ERSCB.

13.2 It is the responsibility of each agency representative to adopt the highest standard of professional conduct, and to attempt to resolve any issue close to the organisational level where the issue arose.

13.3 Where a resolution cannot be reached the matter should be referred to the ERSCB Chair, who will identify a person to make such enquiries as are considered necessary. The enquiries should endeavour to understand the nature and causes of the dispute and make recommendations as to a resolution.

13.4 Where an issue relates to concerns about the effectiveness of a partner organisation in safeguarding and promoting the welfare of children, the matter should be referred to the ERSCB Chair, who will identify a person/s to make such enquiries/audits as are considered necessary. The enquiries/audits should seek to establish the validity or otherwise of the concerns and make recommendations as to what action should be taken to address the issue. The partner agency should then produce a plan of action based on the recommendations, which should be submitted to the ERSCB.

13.5 Where the ERSCB is not satisfied that the planned action to improve performance will be adequate, the ERSCB Chair, or a person designated by the Chair, will explain the concerns to those persons or organisations that need to be aware of the failing and may be able to take action. This may be to the most senior person in the partner organisation, the relevant inspectorate, or if necessary, to the relevant Government Department.

- 18.2 Subgroup Chairs will report on the progress to the MEE group of those areas within the business plan that fall within their area of responsibility. An overview will be provided to ERSCB. Where an objective fails to be met within the agreed timescale an explanation will be provided by the Subgroup Chair and recorded in the minutes. The Subgroup should report completed objectives in writing, with the report outlining the effectiveness of the completed objective. Performance information, quality assurance activity and the experiences of children, families and practitioners will be used as a measure of effectiveness.
- 18.3 The ERSCB Service Manager, in order to identify the progress of the plan, will coordinate the production of an annual report. The annual report will include reports from each Subgroup Chair in respect of progress within their areas of responsibility.
- 18.4 The ERSCB business plan will be a public document and posted on the ERSCB website.

Appendix 1: Protocol setting out Governance Arrangements between

- a) The Local Authority (Chief Executive, Lead Member and Director of Children, Families and Schools) and the Independent Chair of East Riding Safeguarding Children Board (ERSCB)**
- b) The Health and Wellbeing Board, The Children's Trust and ERSCB**

Working Together 2015 sets out new requirements for accountability arrangements for LSCBs. These arrangements have informed the OFSTED inspection framework which now includes a review of the effectiveness of the Local Safeguarding Children Board. This protocol sets out to clarify roles and accountabilities in the light of these new arrangements.

"The Children Act 2004 places the statutory duty on the local authority (LA) to establish a Local Safeguarding Children Board (LSCB). This is defined as a social services function and as such is the responsibility of the Director of Children's Services (DCS).

The DCS is also responsible for the local authority's duties to provide support to children and their families under the Children Act 1989, and for the implementation of the children and young people's plan produced by the Children's Trust Board (CTB).

The DCS must ensure:

- that the LA and its partners cooperate to improve the wellbeing of children in the LA's area; and
- that the LA's functions are discharged having regard to the need to safeguard and promote the welfare of children."

Working Together 2015

Working Together 2015 Chapter 3, paragraphs 12-15, sets out the following requirements in relation to the Chief Executive, DCS and Independent Chair:

- Every LSCB should have an independent chair who can hold agencies to account.
- It is the responsibility of the Chief Executive to appoint or remove the LSCB Chair with the agreement of a panel including LSCB partners and non-executive members.
- The Chief Executive, drawing on other LSCB partners and, where appropriate, the Lead Member will hold the Chair to account for the effective working of the LSCB.
- The LSCB Chair should work closely with all LSCB partners and particularly with the Director of Children's Services, who has responsibilities under the Children Act 2004, for improving outcomes for children, local authority children's social care functions and local cooperation arrangements for children's services.

Working Together 2015 Chapter 3, paragraphs 16-18, sets out the requirement for the Independent Chair to publish an annual report of the effectiveness of child safeguarding and promoting the welfare of children in the local area. The report should:

- Provide a rigorous and transparent assessment of the performance and effectiveness of local services, and include lessons from reviews
- Relate to the previous financial year and fitting with local agencies' planning, commissioning and budget cycles
- Include financial contributions to and expenditure of the LSCB
- Be submitted to the Chief Executive, Leader of the Council, the local Police and Crime Commissioner and the Chair of the Health and Wellbeing Board

OFSTED Inspection Framework

Inspection of the effectiveness of LSCBs will include consideration of the governance arrangements, and how the degree to which they enable statutory partners (including the Health and Wellbeing Board and Children's Trust) to assess whether they are fulfilling their statutory responsibilities to help, protect and care for children and Young people. Evidence will be sought that this leads to clear improvement priorities that are incorporated into a

delivery plan that improves outcomes

The Role of the Independent Chair of the ERSCB

- a) The Chair of the ERSCB is independent of local agencies, and must make certain that the Board operates effectively.
- b) The Chair is a member of the East Riding Children's Trust, and has an independent voice within the Trust. The Chair provides information, appropriate challenge, and influence to the Trust, and ensures that the work of the Trust is communicated to the ERSCB.
- c) The Chair is responsible for the preparation of the ERSCB Annual Report and ensures it is presented to the Health and Wellbeing Board and to the Local Authority Scrutiny Committee.
- d) The Chair ensures that the strategic direction for the ERSCB is set out and drives through delivery of the ERSCB's business by brokering relationships between key partners and quality assuring strong business planning processes.
- e) The Chair provides leadership to the ERSCB ensuring that it discharges its functions effectively in accordance with its constitution, legislation, regulations and guidance.
- f) The Chair also ensures that the ERSCB is appropriately 'holding the ring' with regard to the multi-agency safeguarding system
